## Newsletter Oct 2011

### 1. Flooding Issues.

- We are waiting for the CFRAMS study (was due July 2011) .Currently the river is protected for the 1 in 25 year event. CFRAMS aims for 1 in 100 year event and with the effects of global warming this will stretch to 1 in 200 year event.
- These are the contact details for DCC so that in the event of a risk to households from the Dodder we might get some form of advanced warning (01) 22 22 480 or (01) 22 22 222
- DCC recommend that residents go to <http://www.floodgateireland.com> which offers a large range of flood protection equipment from vent covers to seals
- If there is 50mm of rain in an hour it takes approximately **6 hours** to travel downstream to Anglesea Road so some advanced warning could be issued
- DCC do not make sand bags available to householders
- DCC have undertaken to regularly examine river and remove any tress and debris that poses a risk to flooding

### 2. Leaf Clearing

- Leaf clearing has recently been carried out and we have contact numbers for DCC cleansing department if the road needs further attention. Please let us know.

### 3. Security

- There has been a rise in the number of break-ins and thefts from vehicles in the area. Most of these have been opportunistic so don't leave side gates unlocked or valuables visible in cars. Residents are reminded to remain vigilant and report any suspicious activity to the Gardai in Donnybrook on (01) 66 69 200. Please be vigilant when persons call claiming to be working in the area on behalf of water, gas or other authorities. Official identification should always be verified.
